

Treasury Department,

Bureau of the Mint,

Washington, D. C. November 20, 1895.

Superintendent, U. S. Mint,
Philadelphia, Pa.,

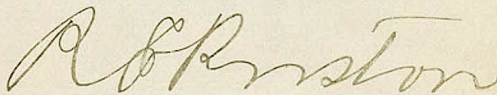

Sir:-

I will thank you to cause to be coined as early as practicable fifteen thousand dollars (\$15,000.) in quarter-eagles for the holidays.

It has been the custom for a number of years to coin quarter eagles for the Christmas holidays.

Will you please advise me what amount of new five-cent nickels of the coinage of 1895, you have on hand.

Respectfully yours,
